

EXECUTIVE SUMMARY

DRAFT 2nd SUBSTANTIAL AMENDMENT TO THE FY 2019-2020 ANNUAL ACTION PLAN TO ADD COMMUNITY DEVELOPMENT BLOCK GRANT – CORONAVIRUS (CDBG-CV) and EMERGENCY SOLUTIONS GRANTS – CORONAVIRUS (ESG-CV) FUNDS

The Nassau County Office of Community Development (OCD) is the overall administrative agent for the Federal Community Development Block Grant (CDBG) Program, HOME Investment Partnerships (HOME) Program, and the Emergency Solutions Grants (ESG) Program, funded through the Federal U.S. Department of Housing & Urban Development (HUD). These programs are intended to support the goals of providing decent housing, providing a suitable living environment and expanding economic opportunities for low and moderate income people.

On March 27, 2020 the United States Congress passed The Coronavirus Aid, Relief, and Economic Security (“CARES”) Act (H.R. 748). The bill provided \$5 billion for CDBG to rapidly respond to the coronavirus pandemic (COVID-19) and the economic and housing impacts caused by it, including activities to prevent, prepare for, and respond to COVID-19.

Nassau County has already received \$12,775,244 in CARES Act funding which included \$8,525,089 in Community Development Block Grant – Coronavirus (CDBG–CV) funding and \$4,250,155 in Emergency Solutions Grant – Coronavirus (ESG-CV) funding in the first round of coronavirus funding.

Nassau County has been allocated a second round of CARES Act funding including \$10,647,918 in Emergency Solutions Grants - Coronavirus funding (ESG-CV) which was announced on June 9, 2020, and \$9,564,934 in Community Development Block Grant - Coronavirus (CDBG-CV) funding announced on September 11, 2020. In order to access these funds, the County is required to submit a Substantial Amendment to the FY 2019-2020 Annual Action Plan in order to report on the activities the NC OCD will fund with these additional resources.

A Substantial Amendment to the FY 2019-2020 Annual Action Plan is required by the U.S. Department of Housing and Urban Development (HUD) to report on the activities the OCD will fund with these additional resources. Usually a thirty (30) day public comment period is required for an action plan amendment, however, HUD has waived this requirement provided that no less than five days are provided for public comments on each substantial amendment to expedite the use of this funding.

The CDBG-CV funds allocated under the CARES Act may be used for a range of eligible activities that prevent and respond to the spread of infectious diseases such as COVID-19. The proposed activities must meet the three National Objectives as required by CDBG regulations:

- Benefit low-and-moderate income persons,
- Aid in the prevention or elimination of slums or blight, and

- Meet an urgent need.

The ESG-CV funds allocated under the CARES Act may be used to assist emergency shelters, prevent homelessness, fund the rapid re-housing of persons experiencing homelessness, and to promote street outreach assistance generally to any individual or family who does not have income higher than HUD's Very Low-Income Limit for the area.

Since the inception of the CARES Act, the Office of Community Development has been engaged in the process of gathering input from a diverse group of stakeholders in preparation of its Five-Year Consolidated Plan. With the advent of COVID-19 and its impact, OCD expanded these discussions to gain insight into the unmet needs specific to the pandemic. The Action Plan Amendment was developed to address these stated needs.. County OCD staff is recommending allocating the CDBG-CV funds as follows:

GRAND TOTAL		\$

Total CV Allocations	\$20,212,852
-----------------------------	---------------------

For the purpose of an expedited use of the CDBG-CV funding and to allow for funds to be utilized to best address the impact that COVID-19 has had on the health and economy of local municipalities, the CARES Act eliminates the cap on the amount of funds a grantee can spend on public services, removes the requirement to hold in-person public hearings in order to comply with national and local social distancing requirements and limitations on public gatherings, and allows grantees to be reimbursed for COVID-19 response activities regardless of the date the costs were incurred.

Public Review

Pursuant to HUD regulations, the County’s Citizen Participation Plan and current HUD waivers for grant programs and consolidated plan requirements in response to COVID-19, OCD staff will publish a 5-day comment period and virtual public hearing regarding the use of these funds. Public comments and the Nassau County Legislature’s allocation recommendations will be included in the Substantial Amendment to the FY 2019-2020 Annual Action Plan that will be submitted to HUD.
